TWELVE-YEAR CATHOLIC SCHOOL CORD

BISHOP GUERTIN LEGACY FAMILIES

CEREMONIAL PRAYER

Dear God, as we gather as the graduating Class of 2026, we take a moment to reflect on everything that has brought us to this point. Over the past four years, we have faced challenges we never expected, moments of uncertainty, pressure, disappointment, and change. Yet through it all, we have continued to move forward together. We have learned not only inside the classroom, but through the friendships we formed, the losses we endured, the victories we celebrated, and the resilience we discovered within ourselves and one another.

Lord, as we prepare to leave behind what has become familiar, give us the courage to step into the future with confidence, even when the path ahead feels unknown. Remind us that growth often comes from the moments that challenge us most. Help us carry with us the lessons this community has taught us: kindness, perseverance, compassion, and the importance of lifting each other up.

As we begin this next chapter, may we use our talents and passions to make a difference in the lives of others. Help us move forward with open hearts, strong minds, and hope for what lies ahead. And may the Class of 2026 leave a legacy not only of achievement, but of unity, strength, and the ability to overcome whatever challenges come our way.

Ametur Cor Jesu. Ametur Cor Mariae.

HOPE FOR OUR GRADUATES

Given our mission and our faithfulness to its call, we are confident that our graduates have been formed through their experiences in all aspects of the human person. This is our hope for them, as they leave us and enter a world which is now theirs to mold.

Growing out of our vision of holistic education, we hope our graduates enter the world before them with:

- the inner strength to believe in themselves, to accept and love who they are and who God calls them to be
- the will to act with kindness and compassion, honesty and respect in all their interactions with others and to accept differences with the same graciousness.
- the ability to recognize the sacredness of the human body, to maintain a healthy perspective in all their relationships and to make healthy choices which nurture both the body and soul.
- an ability to bear the misfortunes of life's journey with patience and dignity, with confidence and resiliency.

Building on their spiritual growth throughout these four years, we hope that our graduates:

- have a deep awareness of God's loving presence in their daily lives.
- have a desire to encounter God through prayer and in reflection on their experiences.
- demonstrate compassion and justice through lives rooted in faith, hope and love.
- have a strong, well-formed conscience based in Gospel values.
- have an understanding of the teachings and traditions of the Catholic Church.
- contribute to the building up of God's church through their active participation in their local Church communities.
- pledge themselves to act justly, to make responsible social choices and to advocate for others, especially the least fortunate among us.

From our commitment to academic excellence and to the intellectual formation of the young, we hope our graduates:

- become creative problem solvers and critical thinkers: curious, open-minded, thoughtful and thorough.
- are filled with a passion for lifelong learning in their personal and professional lives.
- are grateful for their intellectual gifts and talents, and share them in the service of others.
- use their gifts to respond effectively to the changing world around us, for the benefit of all.
- practice active, selfless citizenship within the local, national and global communities.

At Bishop Guertin High School, we proudly honor our legacy families. The families' commitment to the Cardinal community spans generations and are a living testament to the enduring values of faith, service, and academic excellence that define our school. By celebrating their continued involvement and contributions, we recognize not just their history with Bishop Guertin, but their vital role in shaping its future. Their legacy is our foundation, and their spirit continues to inspire every new class of Cardinals.
