### About the Scholarship:

This scholarship was established by a Bishop Guertin Family to honor their late infant daughter Kailyn who would have been a member of the Class of 2018. It is intended to serve as a model for the “pay it forward” ideal as the family has always believed in giving and paying it forward. Early in life, they were only able to give of their time but are fortunate at this point in their lives that they are able to give financially. They believe in all BG has to offer and feel blessed that their children have been able to attend BG (her siblings are members of the Classes of 2014 and 2020). This scholarship will provide an opportunity for other families to also enjoy the whole-person formation learning experience that BG provides. This award comes with the expectation that when the recipient is able, he/she will pay it forward.

The three (3), one thousand dollar recipients, must be current freshmen who are students in good standing and who plan to contribute to the overall Bishop Guertin community. Ideal candidates should be able to display financial need.

### Essay:

In an essay of not more than 600 words (300 for each of the questions listed below), please describe:

1. What does *paying it forward* mean to you?
2. What does a BG education mean to you and why did you choose BG?

In order for the Scholarship Committee to give full consideration to all candidates, all information must be complete. Please attach your essay to this application, be sure to include your name and BG ID #.
