About the Scholarship:

This scholarship was established by a Bishop Guertin Family to honor their late infant daughter Kailyn who would have been a member of the Class of 2018. It is intended to serve as a model for the “pay it forward” ideal as the family has always believed in giving and paying it forward. Early in life, they were only able to give of their time but are fortunate at this point in their lives that they are able to give financially. They believe in all BG has to offer and feel blessed their children have been able to attend BG (her siblings are members of the Classes of 2014, 2020, and 2025). Their hope is that this scholarship will provide an opportunity for other families to also enjoy the whole-person formation learning experience that BG provides. This award comes with the expectation that when the recipient is able, he/she will pay it forward.

The three (3), one thousand dollar recipients, must be current freshmen who are students in good standing and who plan to contribute to the overall Bishop Guertin community. **Ideal candidates should be able to display financial need.**

Essay:

In an essay using 600 words, please answer all of the questions below:

1. **What is the meaning of a BG education and why is it important to you?**
2. **What does “paying it forward” represent to you? (Please do not state the definition, rather think about it and tell us how it relates to you and/or your family experiences or expectations.)**
3. **Describe a time you overcame a challenge or an obstacle. This can be academic, social, family, or personal. Please explain what you learned from this experience and/or how it may (or may not) have changed you.**
